Criteria For Success:

Dr. Amam is an opportunist. She is a true liver of the statement "work smart, not hard."

Needs

- As someone well known in society, she needs to be efficient and "up to date" in everything she does, to maintain her reputation.

Values

- Staying updated as time moves on.
- Efficiency.
- Intelligence.
- Being organized.

Wants

- A technologically advanced device, application, or concept to improve every aspect of her life.

Fears

- Wasting time on unnecessities.
- Looking lost when finding an address.
- Going late to class because her map app isn't updated for new shortcuts. Or forgets an occasion without a reminder.
